2022-2026 Total Wins

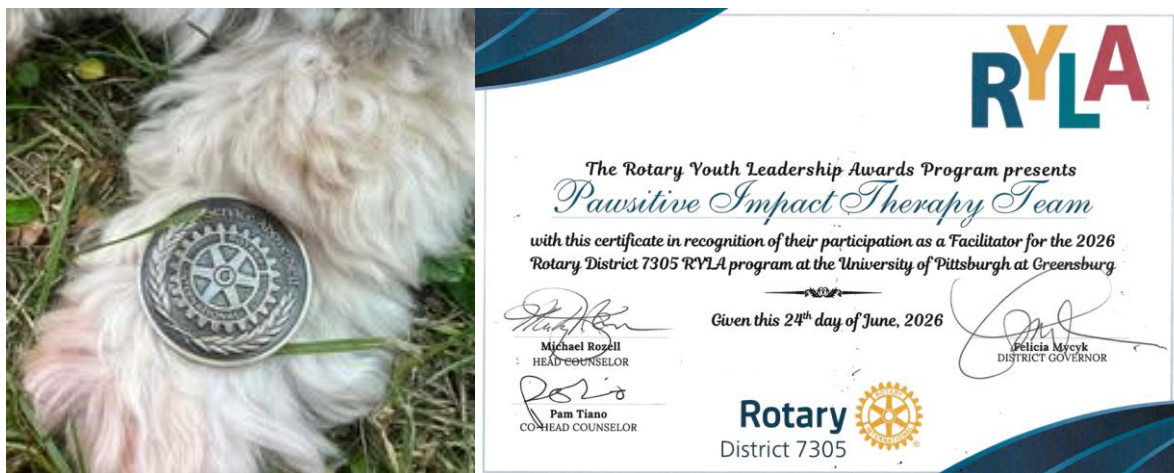

MAKING A PAWSITIVE IMPACT:

July found the team busy making pawsitive impacts across the beloved communities we serve. We made visits to, or participated in, over thirty events this past month including multiple nursing homes, senior care facilities, and hospitals. We also served the youth of our community during visits to several summer camps and childcare centers.

We were also the proud recipient of a certificate of recognition for participating in the Rotary Club of America District 7305 Rotary Youth Leadership Awards program. We would like to thank the Rotary of Greensburg for hosting the event and inviting us to make a pawsitive impact in support of the development of future leaders from across Western Pennsylvania.
